Circus Gatti
returns with its all new 2010 tour of
Shazoom!

Orange County, CA, January 15, 2010- Circus Gatti is proud to return with its 2010 tour of the critically acclaimed international production of *Shazoom!* Proudly presented by MJG Entertainment, *Shazoom!* will begin its North American tour in January. Tickets are now available online at www.circusgatti.net or at the box office the day of the show.

Shazoom! is a return to the origins of circus that combine the traditional circus-acrobatics performances and the art of clowning. The show highlights the physical demands of extraordinary human performances in its splendor and fragility. Presented in three rings of colorful display and grounded in the roots of the American circus.

"*Shazoom!* is about the amazing and ultra-talented human connection to the traditions of the American circus", says the show's producer Patricia Gatti. "The tone is fun and exciting. We love to hear every child laugh, ooh and ah. We definitely make lifelong memories."

The show starts with our host, the singing ringmaster, Justin Loomis. He leads the audience with the *Shazoom!* sounds of a motorcycle from high above, balancing on a thin wire. Next, "It's a bird, it's a plane, no it's super dog," Don't blink, as Pompayo's K-9 aristocrats cause chaos in the center ring. Then comes the funniest funny man, **Laughing Leo**, the crowned prince of comedy. Not to mention the beautiful lady butterflies who enter the land of magical enchantment as they perform the aerial ballet. Don't forget, the largest don't always come last, especially with the globally renowned Circus Gatti Elephants, presented by Mr. John Pelton. Finally, *Shazoom!* promises to keep the zoom in *Shazoom!*, as the death defying Moto Metal Riders enter the Globe of Death.
